

### When A Garment Is Cleaned

It must be absolutely free from dirt. Our process is the only one of its kind in Columbia.

That's why we say, "we clean where others fail."

## AGGIES WIN AGAIN BY A SINGLE POINT

Tigers Couldn't Hold Lead They Got Early in Game.

### SEVEN MEN PLAYED

Basket Shooting by Both Teams Poor—Drumm's Playing Good.

The last basketball game of the season on the Tiger's home court went to the Kansas Aggies last night by a single point. The score was 22 to 21. The game was a little better than on the night before. Neither team could score from the field and the free throwing was worse than in the first game.

It was the same story that goes with the other four games the Tigers have lost in the past ten days. They got the lead in the first part of the game and held it until near the last then went to pieces and allowed the opposing team to win. Just before the final whistle blew Wear had a chance to tie the score with a free throw as in the game Wednesday night, but again his shot fell short.

The Tigers used seven men. That is all they had in suits. Drumm was taken out because of four personal fouls and Palfreyman was taken from the game by the referee for kicking an Aggie player who had knocked him down. This would have been Palfreyman's fourth personal foul anyway. Just whom Coach Field would have put in to play in case another Tiger had been disqualified is a guess indeed.

Drumm played another good game. This tall boy is the Gallagher of the basketball team. The rooters were always yelling for Drumm and when he was sent out of the game, they gave him another hand. Drumm plays hard and follows up his shots. He is always the man who is trying to shoot from the field. If his throw misses, he usually is the man who catches it on the bound back and takes another throw. Two field goals in the first half and one in the second is his record for last night.

Bernet played the entire game with one hand. He was also limping and could hardly run. He made two field goals in the first half and one in the last. He also kept up his good record as to fouls, not one being called on him. Last year "Snooks" was lucky to get to play an entire game.

Palfreyman and Speelman showed particularly well at guard. The Aggies could do very little scoring from the field until Palfreyman went out a few minutes before the finish. The Tigers were leading by a good margin then but the Aggies really started and they scored six points faster than the score keeper could put them on the score board. Then two free throws put them in the lead by a point.

Kansas lost one man, Jones, because of four personal fouls. Only eleven fouls were called on them, all but one being personals. Wear missed all but three of the free throws. The Tigers made fourteen fouls, all personal except one on Drumm for running with the ball. The Kansas-players were as bad as the Tigers on free throws, making only four out of the fourteen tries. Speelman threw one field goal, the first of the game. Wear never scored from the field. Palfreyman, Reeser and Carson also went scoreless. Wear had three personal fouls charged against him and Speelman two. Carson and Reeser, both of whom played only a short time, did not get a foul. The crowd at the game was larger than on the first night. Hoover of Baker was referee.

### GLEE CLUB RETURNS MONDAY

Lack of Time Prevents Them From Giving Requested Concerts.

The University of Missouri Glee Club will leave Los Angeles today, returning to Columbia. If storms along the route do not interfere, the members will arrive Monday morning in time for their classes.

The trip has been a success. Every concert has been given to crowded houses. The Los Angeles alumni requested that the Glee Club give another concert in that city but President Hill was forced to refuse their request.

Other requests were received from Pomona College of Claremont, Cal., and the alumni at Albuquerque, N. M. These were refused on account of lack of time.

The men on the trip are enjoying themselves and are seeing many phases of Western life. They have visited sheep ranches, inspected smelting works and taken trips through mines.

The students of the University will have a chance to hear the program as given on the trip, when the Glee Club gives its concert here. The date will be either March 7 or March 8.

### LOST TOOTH HALTS GAME

Basketball Players Aid Speelman In Search for Missing Part.

Time was called at the basketball game last night in order that the players might assist "Jake" Speelman, Tiger forward, in finding a tooth.

After a few moments of searching, the lost part was recovered and the game resumed.

## German Cherry Wood Pipe

with Weichsel Wood Stem

### To Every Purchaser of 10c worth of TUXEDO Tobacco

Back in the tiny Provinces of Germany and Austria, thrifty millers turn to making these quaint cherry wood pipes, when the grain's all ground. Cherry, old and seasoned, makes the sweet smoking bowl—aromatic weichsel wood, the wonderfully fragrant stem.

The miller's time for pipe mak-

ing is very limited—his supply of the sweet smelling German woods small. Naturally the real German article is scarce and little known in America. But gathering them up for months, we obtained a limited supply to give FREE as a special inducement to get more smokers to try—

# Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo has taken *first place* in the favor of *critical* American smokers—convincing evidence of the *superior qualities* of this mild delightful tobacco.

The "Tuxedo Process" of treating the ripest, mildest leaves of *highest-grade Kentucky Burley* removes every trace of harshness and develops a smooth, mellow *fragrance* and *flavor* that have *never been successfully imitated*.

Tuxedo absolutely cannot "bite"—it soothes the most sensitive throats and tongues, as many noted singers and public speakers testify.
